Request for Bids Overflow Culvert Project – Needles Eye Road

The Town of Lamoine seeks bids for installation of a 42-inch culvert on Needle's Eye Road. The successful bidder will be responsible for purchasing and transporting the culvert to the worksite, cutting the pavement and removal of roadbed, erecting any temporary dam that might be needed installing erosion protection (rip rap) at both the inlet and outlet of the new culvert, installing the culvert and beaver control devices at the inlet of the new and existing culverts, filling the culvert and repaving to match the road surface. All erosion control, dig safe requirements and traffic safety shall be the responsibility of the winning bidder. This project is being partially funded by the Federal Emergency Management Agency through a hazard mitigation grant to the Town of Lamoine. Bids are due to the Town of Lamoine no later than October 10, 2009. Work is to be completed no later than October 31, 2009. For more information, please contact Road Commissioner Michael Jordan at the above address or at 207-610-0884.
